JUST SCAN [it]

MOBILE VALET MANAGEMENT

INFORMATION PACKAGE

WHY JUST SCAN IT?

- Don't let your customers wait in line. Make the process more efficient with just one click.

- Manage all of your paperwork through your personalized account.

- Use technology to your advantage. Bring advanced technology to your valet operation.

- Be accountable for every single penny.

- Generate real-time sales reports.

FEATURES:

1. Instructional videos and handbooks provided to educate your valet providers and attendants.
2. Automatic valet location recognition helps promote the growth and use of your business.
3. Sales performance reports easily accessible through personalized accounts.

- **Cloud Based Service** : All customer/ provider information is stored securely on the Just Scan It cloud.

- **Card Storage and Tokenization** : Customers are able to securely store their credit cards within our application via tokenization through our merchant service company. This keeps all transactions secure so that our customers' private information is protected.

- **Video Documentation** : Record/ Photograph vehicles for damages to eliminate fraudulent liability claims.

- **Customized Mobile App** : Our application is tailored to the needs of both providers and customers so that all features are streamlined. We only include what is beneficial to our users.

- **Real Time Push Notification** : Real time notifications will inform customers of vehicle status during the checkout process.

- **Sales and Employee Tracking** : Log onto the Just Scan It website to get an overview of your business.

EASY SET UP:

WHAT YOU WILL NEED:

Wi-Fi

The application only works online. Internet is required to transfer information.

Converge

Automates and saves customer payments for easy collection and record keeping. Converge offers the lowest processing fees in the industry.

Tickets

Scan tickets with a unique QR code to check in vehicles. Customers scan their ticket to pick up their vehicle.

Smart Device

Use your smartphone or tablet to log in through the app and check in/ record vehicle information. Use our website to sign up and track all operations.

- *Step 1:* Create an account at JustScanIt.com
- *Step 2:* Add location and attendant information.
- *Step 3:* Download our free app and Just Scan It!

MARKET SHARE & COMPETITION:

In the Valet Industry there are other services that offer less than half of our features at twice the price. Here at *Just Scan It*, our goal is to raise the bar and maximize customer satisfaction. By reducing customer wait times and increasing revenue, we are able to achieve our goal all for a fair and affordable price.

What Just Scan It can bring

- **Time** : We reduce the process of manually dialing for a vehicle, waiting in line, and paying a kiosk/cashier into a simple checkout on our mobile application.

- **Streamline**: Reduce the three step valet process into one effortless checkout.

- **Savings** : The payment processing gateway that Just Scan It uses has industry low processing fees and rates.

- **Efficiency** : Customers will be given the option to rate your employees' service. Employee performance tracking will give employees feedback and incentivize them to improve.

- **Communication** : Just Scan It provides the valet attendants with a way to communicate and update the customer on the status of their vehicle through push notifications.
